

Pop Medley 2016

Hold my hand

Standing in a crowded room and I can't see your face

Oh oh oh oh oh oh oh oh

Put your arms around me, tell me everything's OK

Oh oh oh oh oh oh oh oh

In my mind, I'm running round a cold and empty space

Oh oh oh oh oh oh oh oh

Just put your arms around me, tell me everything's OK

Oh oh oh oh oh oh oh oh

Break my bones but you won't see me fall, oh

The rising tide will rise against them all, oh

Darling, hold my hand

Oh, won't you hold my hand?

'Cause I don't wanna walk on my own anymore

Won't you understand? 'Cause I don't wanna walk alone

I'm ready for this, there's no denying

I'm ready for this, you stop me falling

I'm ready for this, I need you all in

I'm ready for this, so darling, hold my hand

Blame it on me

The garden was blessed by the Gods of me & you
We headed West to find ourselves some truth, oh
What you're waiting for? no
What you're waiting for?

We counted all our reasons, excuses that we made
We found ourselves some treasure, and threw it all away, oh
What you're waiting for? no
What you're waiting for?
What you're waiting for? no
What you're waiting for?

When I dance alone, and the Sun's bleeding down,
Blame it on me
When I lose control and the veil's overused,
Blame it on me, oh
What you're waiting for? no
What you're waiting for?

When I dance alone, and I'll know I'll go
Blame it on me oh
What you're waiting for? no
What you're waiting for?
What you're waiting for? no
What you're waiting for?

Thinking out loud

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way, (mmm...)
I know you will still love me the same

'Cause honey your soul can never grow old, it's evergreen
and, baby your smile's forever in my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand

That baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are.

These Days

Oh I can see the future
Coming to you
Crying with the sadness in your eyes
And I can find a faith in years I've wasted
Being around enough to feel alive
And when the world is broken, hurt and colder
No one ever knows the reason why
For the ones we may become
For the balance we have won
For the day we wish the sun
Gonna play it loud tonight

When you dream of a dream
And you live in the world
Every hope is a hope
For the best don't want you resting my bones
And you're calling me now
I will see you all the time
Should be out there living the life
And not just watching you oh

Take me back
Before we all explode
Before we turn to stone
Before the light is gone
Take me back
To where it all began
To where our memories grow
Before the day goes off

Tonight we gonna live for
gonna live for these days
Tonight, tonight, we'll remember
We'll remember these days.

Everything is awesome

Everything is awesome
Everything is cool when you're part of a team
Everything is awesome when we're living our dream

Everything is better when we stick together
Side by side, you and I gonna win forever, let's party forever
We're the same, I'm like you, you're like me, we're all working in
harmony

Everything is awesome
Everything is cool when you're part of a team
Everything is awesome when we're living our dream

3, 2, 1. Go

Blue skies, bouncy springs
We just named two awesome things
A Nobel prize, a piece of string

You know what's awesome? EVERYTHING!

Dogs with fleas, allergies,
A book of Greek antiquities
Brand new pants, a very old vest
Awesome items are the best

Trees, frogs, clogs
They're awesome
Rocks, clocks, and socks
They're awesome
Figs, and jigs, and twigs
That's awesome
Everything you see, or think, or say
Is awesome

Everything is awesome
Everything is cool when you're part of a team
Everything is awesome when we're living our dream
